As the 2024 football and netball season commences today, I take this opportunity to welcome all new and existing players, supporters and sponsors to our Family League.

Once again, 2023 proved to be another year of challenges for our league, a trend we've unfortunately grown accustomed to. Despite COVID-19 now feeling like a distant memory, we've consistently faced hurdles in maintaining the stability of our clubs within the league. Our clubs serve as the linchpin that binds our communities together, and yet again, we anticipate widespread changes and challenges across the football and netball landscape this year. Now more than ever, it's imperative that all clubs collaborate wherever possible for the advancement of football and netball. This collective effort is crucial to ensure that each club remains resilient both on and off the field, especially considering the anticipated changes. While the exact impact on each of us remains uncertain, solidarity among clubs will be key in navigating any forthcoming transitions.

I would like to express my gratitude to all the finals hosts from last year: Hatherleigh, Tantanoola, Robe, and Port MacDonnell. Our Grand Final day at Port MacDonnell set new records for several reasons. Firstly, it recorded the highest gate takings. Secondly, the fantastic weather attracted a massive crowd. Thirdly, we witnessed four outstanding football matches and seven incredible netball grand finals. Congratulations to all the teams that emerged victorious and clinched the ultimate reward of a premiership. For those who fell short, remember that redemption begins today.

I would like to take this opportunity to thank all of our sponsors for their invaluable support of our league. In today's challenging landscape, securing sponsorship is no easy feat, and we are truly grateful to those who stand by us. I urge all clubs and supporters to make the most of our sponsors' offerings whenever possible. Let's show our appreciation by utilising their services and products.

The Board membership continues as per 2023 which includes Peter Mitchell, Dennis Muhovics (Vice President), Trevor Ling, Joanne Michelmore and Jo Dean. Naomi Mitchell has returned to the position of League Secretary and we welcome Rochelle Monaghan as Assistant Secretary to provide valuable support and assistance to both Naomi and the League. Please remember that our job on the Board is to assist clubs and make your lives easier, where possible!

I am pleased to announce that Neil Webber has been reappointed as Umpires Director with Matt Cockrum Assistant Umpires Director for this year. Neil's unwavering commitment and resilience in this role have been exemplary. Recruiting, educating, and supporting our umpires panel is an increasingly challenging task. We find ourselves at a critical juncture for our umpires, with our panel aging. If you've recently retired from playing or are eager to remain engaged in the game, umpiring presents an excellent opportunity. It not only keeps you fit but also allows you to contribute to the sport while building connections with players and club members from a different perspective. Since COVID we have lost quite a number of regular umpires and it is concerning to the

Board that we now rely on club umpires to assist with reserves and some U17 appointments. We will also revert back to requiring two senior players from the club with the bye to be available to umpire each week. This has been previously well supported and I thank clubs for their backing of this scheme. The League also still has in place the Umpires Scholarship program. We believe it will serve as a pathway to strengthen our aging umpires panel. We warmly welcome those who have recently retired from football, as well as young men and women passionate about the game, to join us. The League is eager to hear from individuals who share our love for football and are keen to get involved. I wish Neil all the best for the year in what I know will again be a challenging one.

Michael Moubey continues as the SE Football Operations Co-ordinator and his role is to provide support for clubs and Leagues as well as taking on some of the administrative tasks of the Leagues. We think that this is a positive step for Football in the South East and look forward to some more positive outcomes with the additional resource as well as the support of the SANFL Community Football.

The MSEFL Board in conjunction with LCFNL & KNTFL will continue to operate the SANFL Tribunal system with a panel of commissioners selected from the three leagues. The Board believe this will assist with consistency and uniformity across the tribunal process, with clear set guidelines in place and having one person, Michael Moubey following up with all reports to offer set penalties or straight to Tribunal if deemed to be severe.

We look forward to working closely with the Netball Association President Sara Gray and her committee throughout the year in the many joint ventures that we work on.

MSEFL Representative matches against neighbouring Leagues will take place at Blue Lake Sports Park, hosted by the LCFNL. The Zone Carnival is scheduled for Saturday 8th June. While we await confirmation of the program details, we will have all sides, Senior, U17 and U15 involved. We are pleased to be able to provide our players with the opportunity to compete at a higher level and proudly represent the League against our neighbouring Leagues once again.

Kevin Dinnison stepped up to the role of President of the Junior League just before Christmas, as no nominations were received at the AGM. I'd like to extend my sincere gratitude to Kevin for taking on this leadership position. He will be supported by previous Executive members Gary (Tug) Wilson and Dylan Clough, along with new Executive member Tamara Ploenges. The number of junior participants fluctuates across clubs and the league, presenting challenges for some clubs in maintaining their junior grades. I'm confident that the Junior Executive, alongside these clubs, will continue to work diligently to ensure their sustainability for the seasons ahead.

Thanks to all the media outlets for the coverage our league receives and we look forward to another exciting season in 2024.

On behalf of the League and all clubs thank you to all the wonderful volunteers that assist each week. If you don't currently volunteer for your club, then please consider assisting with your

time / skills wherever possible to make your Club more successful and to share the workload. Volunteering is a great way to meet people and improve your skills as well as knowing that you have done something good to assist your club—so don't hold back!

Clubs are currently facing unprecedented challenges due to the uncertainty stemming from changes in neighbouring Leagues, ongoing policy shifts from Government and AFL, and the evolving requirements for insurance amidst the backdrop of COVID-19 plans and protocols. These factors place additional strain on our dedicated volunteers. In South Australian country areas, three core issues persistently impact Leagues and Clubs: low junior player numbers, a scarcity of new volunteers, and a shortage of umpires, with the latter being primarily an aging demographic of football enthusiasts. It is crucial for all clubs to distribute the workload effectively, establish robust procedures, and ensure multiple individuals are proficient in various tasks. Clubs and Leagues must prioritise organising their operations, revisiting strategic plans, and reinforcing existing strategies to foster growth and sustainability. Key focus areas for clubs include facilities, junior development, volunteer recruitment and retention, financial stability, risk management, and community engagement. Leveraging resources such as the support provided by Michael Moubey from SANFL can help alleviate the burden on volunteers, albeit within reasonable expectations. While Michael can't address every challenge, his assistance can make a significant difference. It's imperative for clubs and the League to capitalise on their strengths, address weaknesses through remedial plans, and strive for continual improvement.

Football clubs must maintain their position as community leaders by fostering stronger partnerships and relationships with all stakeholders. Additionally, volunteers should strive to leave their clubs in a better state than when they first joined, ensuring a lasting legacy of progress and improvement.

On behalf of the Board, we wish all clubs the best of luck for the season and also look forward to common sense and fairness being displayed at all times in the Family League. Please stay safe and enjoy the competitions and social outings our wonderful League offers.

Peter Mitchell
President MSEFL

Welcome to season 2024 of the Mid South Eastern Football Family League. Last year, my plan was to step back and let others take the helm, allowing myself a peaceful retreat into the sunset. However, as life often unfolds differently than expected, I find myself returning with a renewed (albeit somewhat begrudging) enthusiasm. My presence may not be met with universal approval, but I'm committed to serving our league to the best of my abilities.

As we welcome back our existing players, supporters and extend a very warm family league welcome to those who are new to our league, I hope your time at your clubs are both rewarding and positive.

I want to extend my appreciation and congratulations to all the venues that hosted our 2023 finals: Hatherleigh, Tantanoola, Robe, and Port MacDonnell. Hosting a final requires an immense amount of time and effort, and every aspect was executed superbly. Simply saying thank you doesn't seem sufficient. The weather Gods finally gave us a break with favourable weather conditions on grand final day at Port MacDonnell. With warm sunshine greeting us, it was a truly remarkable day, with a large crowd in attendance. Special commendation goes to the Port MacDonnell Football and Netball Clubs for their meticulous planning and flawless execution of the event. Congratulations to Glencoe (Junior Colts), Robe (Senior Colts), Kalangadoo (Reserves & A Grade) on your premiership successes. Today though sees a new season begin, with each club and grade aiming for a top four finish to hopefully become the clubs we talk about next year.

Our Senior Board remains unchanged, with Peter Mitchell elected as President, Dennis Muhvovics, Vice President, and Executive Members Trevor Ling, Joanne Michelmore, and Jo Dean. I would also like to extend a warm welcome to Rochelle

Monaghan, who has joined us as Assistant Secretary. Despite her brief time in the role, it is already evident she will be a valuable addition to our team.

In the Junior arena, prior to the Junior League AGM, no nominations were received for the role of Junior President, raising concerns about its future. However, Kevin Dinnison stepped up to the plate. Kevin, with his extensive involvement with the Nangwarry Football Club and the League, courageously accepted the nomination for Junior League President. We extend our heartfelt thanks to Kevin for taking on this responsibility, confident that he will do his utmost, supported by returning executive members Gary (Tug) Wilson and Dylan Clough, as well as new executive member Tamara Ploenges. Junior playing numbers across the league continues to pose challenges. While some clubs effortlessly attract and retain players, others struggle in this regard. It is imperative that we work together and offer support to those clubs encountering difficulties with player numbers. After all, it's unpredictable – next year, it could be your club facing similar challenges. Neil Webber again continues in the role of Umpires Director and we welcome Matt Cockrum as his Assistant. Last year we relied on club umpires to fulfill appointments, and unfortunately our panel numbers have not seen significant growth to alter this trend for the current year. In fact, to address the shortage we are reinstating the requirement for clubs with the bye each week to provide two senior players to assist with appointments. Facing a scenario where more umpires are leaving than we can recruit, our panel numbers have reached an all-time low. It is imperative that the Board, along with club stakeholders, continue in encouraging recently retired players to consider umpiring as a positive alternative to playing and remain involved with the game. Just

remember: no umpires, no game. For the past decade or more, changes to club and league structures have felt like a constant revolving door. True positive change can only emerge through cooperation, not coercion. Therefore, if clubs are content with their current state, it's best to respect their choice and refrain from intervention. Mandating changes upon clubs will likely lead to resentment and potentially even the disappearance of some clubs all together.

To our 'Family League' partners in the Netball Association I take this opportunity to wish President Sara Gray, the Executive and all players and supporters all the best for the upcoming season and look forward to another successful and positive year ahead.

As we embark on a new season, the focus shifts towards the ultimate goal of playing finals footy in September. While it may seem distant, coaches across all levels, from junior colts to A Grade, will undoubtedly emphasise the significance of securing victories in the early matches. Winning early sets the tone for the entire season and grants teams greater control over their destiny, rather than relying on outcomes later in the year.

To all participants in football or netball, I extend my best wishes for the upcoming season. May it be filled with excitement and enjoyment, and may your team find itself actively engaged come finals time.

Remember to treat each other with kindness, travel safe, and I wish you all the best for Season 2024.

100 A GRADE GAMES

DYLAN PFITZNER GLENCOE FOOTBALL CLUB

Today Dylan Pfitzner plays his 100th A Grade game for the Glencoe Football Club. He began playing Junior Colts with the Murphies in 2013. During his junior career, he regularly played representative football for the Mid SE League being a member of the 2014 under 14 side, 2015 under 15 team and again in 2018 in the under 17 team. He was our Senior Colts leading goal scorer in 2018. Dylan made his A Grade debut in 2016 at the age of 15 and was a member of the 2019 Grand Final team. He has developed into a versatile player, playing key positions up forward or down back. He is maturing into a consistent and reliable member of the A Grade side and still only 23 years of age, we hope he has many more years of good football ahead of him. From everyone at the club, we congratulate Dylan on reaching his 100th A Grade game for the Murphies and wish him all the best in today's match and into the future.

FOOTBALL CLUB NOTES

On behalf of the general committee, I would like to welcome all our players and supporters, old and new, along with our valued sponsors, to the 2024 season. We have welcomed many new families to the Club with numbers through the junior grades exceeding our expectations, and we hope you all enjoy your time with us.

Coaching wise we have Rob Whitty and Ross Stevens again heading up the U11's/Auskickers, with Mark Paech returning to mentor the Under 14's. Scott Patching has joined the Club in the role of Director of Coaching, along with taking on the Senior Colts coaching position. Tony Elletson continues as Reserves Coach and Cam Sandercock as the Seniors Coach. Matt Roscow has come on board as Assistant Coach for the Seniors.

As a Club we have been working on a Strategic Management Plan during the off-season, formalising the direction we want to go and planning how that is going to happen. We hope everyone gets on board and supports the changes and new directions we are undertaking, across multiple areas. Many thanks to Tony Elletson for facilitating this.

Karen Hunt has taken on the role of Netball President, and we look forward to working together with the Netball Committee during the year, along with Daniel Ashby and the Junior Football Committee.

Reminder to all that Club's cannot run without the assistance of volunteers, so if you haven't put your hand up for a canteen duty, goal umpiring, stubby shed duty, etc then please do. Volunteering can be very rewarding and helps out YOUR Club along the way.

Keep an eye on the Social Calendar for Club Functions and we hope you all get along and support them throughout the year. Tonight sees the Shuffle Night kick-off after teas, so hit up Evie for a song. Next week the Women's Football Presentations will be held at the Club from 6pm, so get along and show support for the girls.

Best of luck to all our football and netball teams today, and to all the Clubs in the 'Family League'.

Amanda Sealey,
Kongorong President

FOOTBALL CLUB NOTES

Greetings to all as we embark on the 2024 season. It is with great pleasure that we extend a warm welcome to new and returning families, players, and supporters joining us at the Mozzies' nest this year.

We are delighted to announce the return of Clinton Gallio as our esteemed A Grade coach. We look forward to Clint continuing the success he has enjoyed during his time at Millicent and we're sure the team will give him 100% for the season.

Our coaching roster this year includes the seasoned expertise of Rob Francis guiding the Reserves, and the return on 2009 A Grade premiership coach Darren Dean at the helm of the Senior Colts. We also welcome back Frazer Johnston for the Junior Colts along with Taylor Allen, Brady Sharp and Ella Little who will be spearheading the Auskick program. We extend our best wishes to all our coaches and their squads for a successful and rewarding season.

A heartfelt thank you goes out to our dedicated volunteers who tirelessly contribute to the smooth operation of our football club. The commitment of our parents, players, and supporters who volunteer in various capacities is invaluable and deeply appreciated.

We are incredibly grateful for the generosity of our loyal and new sponsors. Your support is crucial to the

vitality of our club, and we encourage all members to reciprocate by supporting these businesses in kind.

With the success of our inaugural night match against Tant last year we are delighted to take on Kalangadoo in our second-round night game with the A Grade match commencing at 6:30 pm. With Kalangadoo jumping at the opportunity, this event is sure to be a cracker with Ladies Night hosted by the netballers, and entertainment after the A Grade to serenade Can Hill for the remainder of the evening.

Please join us for our community teas on Thursday nights and during Saturday home games (except night game). Stay tuned for updates on upcoming events by following our Facebook page. We remind you that memberships are now available—please reach out to Chris Scott for details or fill out a form available from the clubrooms bar.

Lastly, we extend our encouragement and best wishes to all our netball teams and their committee for the season ahead.

Thank you all for your continued support, and here's to a fantastic 2024 season!

Clint Bowering,
President

FOOTBALL CLUB NOTES

Welcome, summer has been and gone and we're well into autumn and doesn't it feel like footy season again.

Firstly, taking over the reins from Ted, I would like to thank him for his tireless efforts as President and I know that he will continue in a very supportive role for us. I have coached at both junior and senior levels and whilst I have thoroughly enjoyed coaching the juniors of late, many of our juniors have only had myself as a coach and I feel it is important to implement change to keep things fresh. I hope I have reinforced an ethos of effort = reward.

In keeping things fresh we recruited Reece Duncan as Senior head coach, it has been great to see the existing playing group respond to Reece's coaching philosophy and training program. We have a blend of youth and experience, returning players and new players, I wish them well for the season ahead. I would like to congratulate Dylan Pfitzner on his 100 A grade games today, Dylan has been a significant member of our Senior team since debuting in 2016. He is a highly valued member of the Glencoe community.

Ben Hentschke is again leading our Reserves team. 2023 was a difficult year for the Reserves, we have worked hard to secure more players and be much more competitive. With the fellas I've seen on the track I look forward to an enjoyable season with far less headaches for Ben.

Will Maloney is coaching the Senior Colts team; Will is not much older

than these boys and I give him real credit for getting in a having a go. For Kalangadoo who are short of players this season you must hang in there and continue to develop the few you have. Two years ago, we were in the same boat, running out with 8 players, whilst not much fun at the time the boys have continued their football journey and will play in a very competitive team this year.

Matthew Haase has a slightly different look Junior Colts this year. Where we've been strong the last two years this year's colts have just enough numbers and are a very young side. The hatful of bigger kids will need to work extremely hard to help the young brigade improve and develop.

We have Bo Manser and Dion Evans taking on coaching roles with our U11's and Auskick kids. Similar to the Junior Colts, we are not flush of numbers in U11s but we'll compete as well as we can week in week out. Dion has a heap of young Auskick kids which we look forward to seeing come into the Junior grades in a few years. I would like to thank two senior players Brodie Glynn and Brodie Allison for offering to help these juniors develop especially when they do not have kids of their own.

Goodluck to all M.S.E football and netball teams throughout the year, help each other where we can and keep our league as strong as possible.

FOOTBALL CLUB NOTES

Welcome everyone to season 2024.

It is with great pleasure that we announce our coaching appointments for this year. Nathan Brown again leads our Senior side with assistance from Matthew Bryant and Jason Pettit on the bench. Congratulations to Henry Lawrie for being nominated as Captain and to the rest of the leadership group. Working alongside the A Grade team the Reserves will again be coached by Anthony Kokiousis with assistance from Roly Day. Good Senior numbers this year have seen a solid pre-season and a few new faces which is great for the club and the community.

Congratulations again to our 2023 Premiership Senior Colts side and to Sam Huebner as he steps aside as coach, the position filled by Jason 'Leroy' Fennell. Leroy has a great history with our club and with coaching and we look forward to watching him with his young charges. Bucko McLay will again coach the Junior Colts and we know his first year of returning to basic skills and drills will start paying dividends in 2024.

With the fragility of Community Football front and centre again this year, it is glaringly evident that clubs must focus on building, retaining and upskilling junior numbers as well as working together as a League to support each other. Excellence in junior development relies on great volunteers, if anyone else wishes to get involved please contact myself or Junior President Adrian Johns at any time.

We are very pleased to announce our committee members for the year:

President – Debra Mackey

Vice President – Jason Pettit

Secretary – Breanna Ferguson

Treasurer – Deb Sweetman

Committee – Jacob Nicholson, Jim Thring, Geoff Prest, Roly Day, Roger Sweetman and Jack Sneath.

Junior Committee – Adrian Johns (P), Karla Dew (VP), Rhianna Maczkowiack (S), Scott Robertson and Kylie Johns.

We have been using our off season to improve club facilities and we would like to thank all of our committee members, sponsors and grounds volunteers for their hard work. We have a new BBQ and bar booth which offers a magnificent, elevated view across the oval and protects our members from the harsh SE'ly weather.

Congratulations also to our netball club for their growth this off season and welcome to their new president – Ash Hunt and her committee. Kim Ross has stepped down after ten years in the position and will be supporting Ash as she settles into the role.

There is a fresh feel around the Robe Football and Netball Club leading up to round one and we look forward to hosting home games and providing a great day of country sport to our community. For information, fixture, events, merchandise and much more please visit our website at Robefootballclub.com

Good luck everyone, stay safe, and we'll see you all very soon.

2024, let's go Roosters!

FOOTBALL CLUB NOTES

Junior Footy

Junior numbers and player development has been a major focus of our Club over the last 5 years and this work by a number of dedicated volunteers is really starting to pay dividends with Under 11 and Auskick numbers continuing to grow, and the kids' skills are continuing to develop. We would like to sincerely welcome all the new families and players to the Magpie family for the 2024 season. If any other players or families are keen to be involved in an inclusive all abilities environment, they are encouraged to contact Boxy on 0400064943

Steve McCann and Graham Dowie are coaching the Under 14s and 17s. Macca had amazing first season at the helm and the club was more than excited when he signed on again! Junior Colts numbers are really strong this season. The senior colts are looking to build on a hard season in 2023. Numbers are really low, but with the addition of some young guns we feel we can push through this season. Graham has worked extremely hard in the off season. We are looking forward to the development of the 17s.

B Grade

It is great to be back for the start of the 2024 season. After winning the grand final last year the B Grade side are looking forward to hopefully another successful year at Kalangadoo. We welcome back existing players but are also really looking forward to

welcoming new faces and families as well including a number of Senior Colts from last season which will add some youth to the side. Thanks to all the volunteers and sponsors who have worked tirelessly over the summer to ensure that the Club is in a fantastic place for the start of the season. We would like to congratulate club legend Aidan Auld for taking over the reigns as our Reserves coach!

A Grade

It is great to be back and able to defend our Premiership. The desire of the Senior boys is still as strong as ever. Al Lyon is again at the helm as Senior coach, he has worked exceptionally hard this offseason and we all look forward to the already strong culture you look to build on. We have lost a few boys to various other clubs and we wish them well in season 2023. We would like to welcome some returning and new faces to Kalangadoo. Rob Hein, Jack Meyer and Michael Krieger will give us great depth and x factor into a side looking to claim our 4th 3 peat in the a grade! Good luck and see you all out at the footy!

The DiGiorgio Family Wines in the centre of Coonawarra use traditional winemaking methods and extended maturation in oak barrels and in bottle (red wines) to craft wines which reflect their varieties, the place where they were grown and the DiGiorgio Family Philosophy that food and wine should be shared, savoured and celebrated.

200 CLUB GAMES

CHLOE HENTSCHE
GLENCOE FOOTBALL CLUB

The Glencoe Netball Club congratulates Chloe Watson who today plays her 200th Club Game. Chloe came to Glencoe in 2011 and played her 15&Under and 17&Under netball with the Club. She graduated into the senior ranks in 2014 and has been a part of the A Reserve/B Grade sides ever since. Chloe is an athletic and versatile player who is able to hold down any mid-court position with ease and can also play in the goal circle when required. Her extra height, denied to most mid-court players, enables her to get her hands to many balls.

Chloe had a stellar season in 2021 not only taking out Club B Grade Best & Fairest but also the League Best & Fairest as well as being part of the premiership side – an amazing feat not accomplished by many. She was also a part of the B Grade premiership side again the following year in 2022.

Congratulations Chloe and thank you for your dedication to the Club.

Also congratulations to Shae Tweddle playing her 50th club game today and Alarna Briggs playing her 150th club game.
